SUPERINTENDENT'S REPORT

Out of Country Field Trip – Profe – Community Service Trip to DR – 4th time – added ELO to the trip last year – really good feedback from student body. Mr. Curtis and I are working to add ELO again. Leaning toward architecture and art. Community service trip – organization in Bethlehem – non-profit. Steady program; students get a lot out of it; in my opinion not negative trip. 2 students – Izzy and Ashley.

J. Ryan – last year during Capstone Trip – students in Culinary did Capstone Project.

M. Macakova - Encouraged for students taking Spanish but not limited to them. Price increase of \$300.00. Everything same – working in same area and staying in same area. Price covers all materials.

R. Boggess – concern – substantial price – not once heard it was to cover materials. Should consider other options that don't cost our students two to three thousand dollars.

School Board Meeting Minutes – 5/14/18 – Page 2.

S. Kleinschrodt – to find alternatives now is too late – company is successful – it's up to parents and students whether they want to do it.

Izzy – worked 2 jobs to raise money – always wanted to go on trip and help people – work hard and go...

Ashley – worth going – can't get experience in classroom – humbling and amazing

Izzy – want to go back and see people she met...different environment – made me realize I can do this and can help people.

J. Ryan – different projects?

Ashley – yes. Start where the other group left off.

As a parent it's valuable for kids to give back.

M. Macakova – this is student driven.

Thank you for coming.

M. Anastasia – did anyone have any questions on report – a lot of dates and activities you may want to note. Teachers have to make up 3 days.

I wanted to thank Ms. Sheehan – had to reallocate monies through Title Grants – was awarded \$115,000.00 for 3 different PD activities.

G. Brodeur – on list of events – why JROTC event on 15th was not listed – 12:00 reception and 1:00 after that.
